REGISTRATION FORM

Join Cyclone Cycles and METRO Cycling Club for a New Year's Day bike ride benefiting Workshop Houston. Workshop Houston builds the foundations for empowered communities through creative and enriching activities for youth. Workshop Houston is composed of several workshops, one of them is the Third Ward Bike Shop, which offers youth an opportunity to Earn-a-Bike by salvaging working parts from an unusable bike, fixing a bike to donate to a local charity, and then repairing another bike to keep.

OTHER WORKSHOPS INCLUDE:

- **The Chopper Shop**, a fully equipped welding and metal fabrication studio.
- **The Style Shop**, a fashion design and silk-screening studio.
- **The Beat Shop**, a music production studio for recording and practice.
- **The Scholar Shop**, a drop-in homework and academic tutoring center.

Workshop Houston was founded in October of 2003 by Seth Capron, Katy Goodman, Benjamin Mason, and Zach Moser, who met while attending Oberlin College. They realized their goals were similar and decided to join forces, moved to Houston and started their first project - the Third Ward Community Bike Shop. Soon after that the other workshops were created and are going strong today. For more information visit their website at: www.workshophouston.org.

All proceeds from the New Years Masquerade Ride will go to Workshop Houston, so you will be starting the New Year on the right track.

Remember to donate your old bikes to Workshop Houston's Third Ward Bike Shop!!
